

Safely Covers ALL Common Skip Bins!

- Completely automatic! Keep drivers safely on the ground. No climbing on bins!
- Hydraulic operation. All valving included.
- Low-profile arm design avoids damage.
- Tarp roller fixed to arms reduces tarp wear and tear.
- Donovan's unique "ratchet tensioning device" allows SAFE and easy spring adjustments!
- Optional Donovan Mighty Mesh® tarp. The industry's longest lasting tarp!
- "View window" in tarp for clear visibility when reversing onto bins.

PLUS

- Kits in stock, ready to ship!
- Spares in stock at all time!
