

Our Vision

To be a leading provider of specialist GPS navigation, speed awareness and dash cam solutions for the LCV, HGV & specialist vehicle market, delivering smart, reliable, and cost-efficient technology.

Our Mission

To innovate and enhance our product range for professional and domestic drivers, improving road experiences and driver safety.

Our Promise

To be the first choice for LCV, HGV, caravan, and motorhome navigation by offering the latest mapping, traveler-focused features, at outstanding value.

 **SNOOPER**

FOR SAFER **DRIVING**

 **TRUCKMATE**

FOR LIFE **ON THE
ROAD**

 **VENTURA**

FOR LIFE **OUTDOORS**

Our goal is to make our roads safer with solutions for speed awareness, dashcams & specialist vehicle navigation.

A bespoke solution for commercial vehicles, our mapping data is one of the best in the industry for smart and intuitive large-vehicle navigation. Bespoke solutions are available for fleet operators.

Designed for those who enjoy motorhome, camping and caravan travel, focusing on the needs of those and ensuring that accurate and up-to-date information is available for all routes and destination facilities, as well as smart large vehicle navigation.

The advertisement features the Snooper logo at the top, followed by the text 'Established since 1979'. Below this, a tagline reads 'Discover your next adventure with Snooper intergrated entertainment & navigation systems'. The central image shows a car stereo unit with a screen displaying a Google Maps navigation interface. To the left of the unit is a Volkswagen logo. Below the unit, the model number 'SMH-580VW' is visible. At the bottom, a white box contains four logos: 'Works with Apple CarPlay', 'Works with android auto', 'dab+', and 'Bluetooth'.

Discover your next adventure. We are Snooper.
